

FROM MEYERSDALE AND SUMMIT MILLS.

The cause in this pastorate is being firmly maintained and the work progresses earnestly. At Meyersdale, Tuesday afternoon, July 1, two applicants, in addition to those already reported, were baptized, and others are expected daily. We are endeavoring to have a continuous revival and "the invitation" will be extended at each service. In the Summit Mills congregation, an appointment every alternate Sabbath morning, the interest is steadily increasing. We have not yet done any evangelistic work in this part of the field, but the evidences of reviving spiritual energies are apparent and we look for a good series of meetings in the fall. Our late love feast at Summit Mills was solemn and impressive, and we all felt the power of the Holy Spirit and the blessedness of unity and peace.

TWO BAPTIZED.

Every thing is moving along nicely here. Two more were baptized to-day, by brother L. W. Ditch. Our Sunday-school and King's Children Society are in a prosperous condition. Our Children's Day exercises which were held on last evening were a success in every particular. The church, although large did not seat all the people.

FROM BUCKEYE CITY, O.

This is my first attempt writing for our paper, the EVANGELIST. I desired to let the brethren of the brotherhood know something about us. We seldom see an article from our church at this place, so I desire to write.

Our church still lives, and we have now hired brother D. L. Schultz to preach for us. We held a revival at this place; but did not have any accession to the church; only one sister reclaimed. But instead of bringing in the sinners, although the house was nearly full of them every night, he brought back those who had nearly forsaken the church. Our church to-day, I believe, is in good working order. The congregation last Sunday was large. We believe that much good has been done and will be done in the future. We intend to start a prayer-meeting, and lately we have started a S. S. of C. E. Our sisters are working nicely and doing considerable good. Our King's Children society is prospering, and we believe that much good will be done through it, with the assistance of our new pastor, and the help of God. Brother Schultz has been working in Howard, endeavoring to start a

mission. He has succeeded so far as to organize a Brethren Sunday-school, with an enrollment of 57 pupils, with very bright prospects of organizing a church in the near future. The Sunday-school at the first collection, gathered \$3.25 cash to buy Sunday-school supplies. We take the EVANGELIST and think it a very good paper, and cannot see how any member of the Brethren church can get along without it. May God be with us in our work; keep us faithful, so that at last we may receive the crown which is laid up for all good and faithful followers of our dear Saviour. Your sister in Christ.

MRS. J. L. WEIRICK.

A PREACHER WANTED.

Some good man or woman wanted by the Cornell, Ill., church of the Brethren, to take charge as pastor at once. If any one can do so at a small salary, with the prospect of working up a good charge, you will please correspond at once with J. J. Vanderree, Clerk of Board of Trustees.

P. S.—State salary expected.

FROM BURN'S CHAPEL.

The cause at Burn's Chapel is moving along nicely. We have a good Sunday-school with brother Ira Karn as superintendent. Our K. C. class is doing well. It is carried on principally by young people, and they are good earnest workers. The society is composed of active and associate members. We have interesting meetings and the interest is kept up without socials or anything of this kind. The society is only about five months old.

A CHANCE FOR WOMEN TO MAKE MONEY!

I saw one of your subscribers tell in your columns a few weeks ago how she made money selling Dish Washers. I wrote to the Iron City Dish Washer Co., 145 S. Highland Ave., Station A, Pittsburg, Pa., and obtained one of their Dish Washers and tried it myself first. It was just lovely; you can wash and dry the dishes for a family in two minutes, without touching your hands to a dish or putting them in hot water. I made the first day, \$5.00, and everybody wanted a Dish Washer just as soon as they saw me wash their dishes. Since then I have made as high as \$18.00 a day, and I believe that I can get enough money to keep my brother at school next winter, and have money in the bank too. Any lady or gentleman can do as well as I am doing, I am sure, as I had no experience. When everybody wants to buy, it is not hard to sell. Anyone can get information by writing the above firm, and I am glad to add my experience, because I think it is my duty to others to help them over the hard times.

ADDITIONAL PERSONAL MENTION.

Brother J. M. Rittgers furnishes an interesting report of the church at Marion, Ind.

Sister S. C. Hostetler of LaPaz, Ind., reports good interest and active service for the Master in the church, Sunday-school and S. S. C. E. of that place. There is a band of self-sacrificing brethren and sisters at LaPaz, and their work is being felt.

It is somewhat refreshing to learn that one-third of the population of the State of Texas, and more than one-fourth of the territory, are in the prohibition fold, with elections pending in counties that will greatly strengthen the cause of prohibition.

WELLINGTON'S LAST WORDS.

When the Duke of Wellington was sick the last thing he took was a little tea. On his servant holding it to him on a saucer, and asking him if he would have it, the duke replied: "Yes, if you please." These were his last words. How much kindness and courtesy is expressed in them! He who had commanded the great armies in Europe, and had long used the throne of authority, did not despise nor overlook the small courtesies of life. Ah, how many boys do! What a rude tone of command they often use to their little brothers and sisters, and sometimes to their mothers! This is ill-bred and unchristian, and shows a coarse nature and hard heart. In all your home talk remember "If you please." To all who wait upon you and serve you, believe that "If you please" will make you better served than all the cross or ordering words in the whole dictionary. Don't forget three little words—"If you please." Life is made up, not of great sacrifices or duties, but of little things, of which smiles and kindness and small obligations given habitually are what win and preserve the heart and secure comfort.—Sir Humphrey Davy.
